# CNCF Financial Services User Group

Cheryl Hung, @oicheryl  
CNCF Director of Ecosystem

Two independent initiatives, starting in 2018.

- Alexis Richardson (Weaveworks) and Jonathan Meadows (JP Morgan)
- Craig McLuckie (VMWare)

In Q1 2019 FSUG was formalized under the CNCF.

- 20-25 banks, fintech startups and other companies running Kubernetes in highly regulated environments.

# Principles

KubeCon

CloudNativeCon

Europe 2019

1. CNCF acts as a neutral host
2. Not a standards body - code over meetings
3. End users only

# Mission (1)

KubeCon

CloudNativeCon

Europe 2019

To foster interest and engagement from the finance industry to address security, regulatory and compliance related issues when using cloud native platforms.

# Mission (2)

KubeCon

CloudNativeCon

Europe 2019

This includes the preparation of agreed best practices for the use of cloud native technologies in a regulated financial services context including interaction with common regulators and auditors.
