TOP AMBASSADOR

Michael Hausenblas

Michael is a Developer Advocate for Kubernetes at Red Hat, where he helps folks to build and operate cloud native apps.

He contributes to open source software, speaks at conferences and user groups, and shares good practices around cloud native topics via demos, blog posts, and books.

[@mhausenblas](https://twitter.com/mhausenblas)

TOP COMMITTER

Jordan Liggitt

Jordan Liggitt is a staff software engineer at Google, and helps lead Kubernetes authentication, authorization, and API server efforts.

[@liggitt](https://twitter.com/liggitt)

Congratulations everyone!

Thank you VMWare for sponsoring!
