*Quinton Hoole*

# Agenda

KubeCon

CloudNativeCon

North America 2019

- History Lesson
- Current SIG Projects
- Survey
- Future of the SIG

# A little history

KubeCon

CloudNativeCon

North America 2019

# Current SIG Projects

KubeCon

CloudNativeCon

North America 2019

- Cluster Registry
- KubeFed
- Cluster ID
- KubeMCI

# Cluster Registry

KubeCon

CloudNativeCon

North America 2019

- Big Idea: Track a collection of clusters
- Current Status: Alpha
- What's Next:
  - Determine extent of adoption
  - Determine beta criteria
- Repo: <https://github.com/kubernetes/cluster-registry>

# KubeFed

KubeCon

CloudNativeCon

North America 2019

- Repo: <https://github.com/kubernetes-sigs/kubefed>
- Big Idea: Distribute K8s resources to multiple clusters
- Current Status: Alpha - Just short of beta
- What's Next:
  - Determine whether there is enough community backing to bring to beta

# Cluster ID

KubeCon

CloudNativeCon

North America 2019

- Big Idea: Give clusters a permanent ID coordinate
- Current Status: Paper (stalled)
- What's Next:

# Kube MCI

KubeCon

CloudNativeCon

North America 2019

- Big Idea:
- Current Status:
- What's Next:
