Three Critical Decisions

```
$ sigopt status-all

Total Jobs: 1

Experiment ID          Job Name               Job Status          Observation Count      Observation Budget
<id>                   orchestrate-<id>       Complete            15                     60
```

Two Big Problems

Data Scientist

vs

Machine Learning Engineer
