

A photograph of a forest path in autumn. The path is covered in fallen leaves and grass, leading into the distance. Sunlight filters through the trees, creating a warm, golden glow. The trees are tall and thin, with some showing autumn foliage.

Application Process

1.17 Release Team Shadow Application

Thank you for volunteering for the Kubernetes 1.17 Release Team!

This questionnaire is meant to learn a little bit more about you, your journey with Kubernetes, your understanding of the Release Team processes and procedures, as well as to determine if you're a good fit for the current Release Team.

Please note that you are expected to be inexperienced in some areas, as a shadow is a mentorship opportunity.
